# 2024 Access Name Inventory

An access NOT maintained by a governmental agency is listed as private based on information provided to the LCRC.

An access maintained by a governmental agency is listed as public. State of Michigan recorded plat maps can also be used as a reference.

Roads maintained by the LCRC can be verified on the LCRC's certification maps.

The LCRC provides this reference inventory for informational purposes only. We are not responsible for any errors or omissions.
